

# BIRGER. CYINDEX 2021

Cyber Defenders prepare to regain advantage

## BIRGER. CYINDEX 2021

## RESPONDENTS PROFILE

## RECOMMENDATIONS

### How to regain advantage?

BIRGER. recommends that all organisations in our region must regain advantage over cyber attackers by reinforcing their Governance, Expertise, Insights and Technology.

## INCIDENTS

### IOI

Phishing & Social Engineering	38	▼
Malware	36	▼
Targeted attacks	21	▲
Zero-day attacks	14	▲
Ransomware	12	▼
Web-based attacks	12	▼

### AFRICA

Phishing & Social Engineering	43	▼
Malware	32	▼
Web-based attacks	22	▼
Targeted attacks	22	
Denial of service	14	▼
Ransomware	14	▼

▲ Higher or Lower vs previous year

### Conclusion:

While Digital Transformation is a journey that all organisations need to embrace irrespective of the current context and future risks, it is essential that Cyber Security forms part of that journey for Cyber Defenders to prepare to regain advantage.
