

ONE PROGRAMME. MULTIPLE POSSIBILITIES.

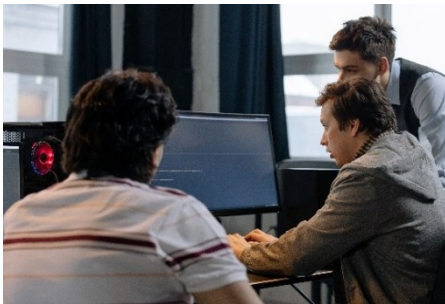

DISCOVER YOUR POTENTIAL. SHAPE YOUR FUTURE. MAKE A DIFFERENCE.

BIRGER. is recruiting graduates who have real interests to work in Technology.

Join our **TalentIT Programme** and explore the different IT jobs across our 3 core services: **Technology | Security | Resiliency.**

YOUR JOURNEY THROUGH OUR **TalentIT** PROGRAMME

Curious, adaptable and ready to discover what you will gain from **TalentIT**?

During this programme, you will rotate from one Business Unit to the other, gaining exposure to various IT jobs covering **Artificial Intelligence, Cloud, Consulting, Cyber Security, Data Intelligence, Enterprise Infrastructure, Networks, Software Development and System Administrator.**

By being immersed within our teams, you will be able to discover on the job projects, and gain a 360° view of our 3 core services.

Upon successful completion of the programme, you will have the opportunity to join one of our Business Units on a full-time basis and embark on an exciting career journey with BIRGER.

TalentIT Programme will allow you to:

- DISCOVER different IT jobs and our ways of working
- LEARN from experienced professionals
- ADAPT to new environments and challenges
- CONTRIBUTE to real business activities
- GROW your skills, confidence and professional network

*Discover and
Be Discovered*

The mindset we are looking for:

- **CURIOUS:** eager to learn and explore
- **ADAPTABLE:** comfortable with change and new challenges
- **PROACTIVE:** willing to take initiatives
- **COLLABORATIVE:** committed to working with others
- **DRIVEN:** ready to learn; contribute and grow

You don't need to know where you want to go: **We will accompany you during this IT immersion.**
