

BIRGER. COVID-19 STATEMENT

BIRGER. has taken all required steps and measures to protect its clients, colleagues and suppliers following the Covid-19 outbreak in the region.

The health and wellbeing of our colleagues and clients is our primary focus as we continue to operate as normal, as long as permitted by local authorities. We are following sanitary guidelines and social distancing, as recommended by relevant authorities and World Health Organisation.

All precautionary measures have been taken to ensure there is no disruption to our services during the Covid-19 lockdown. For each country, each site is being segregated from the other to ensure operational resilience. Our services will be provided continuously as far as permitted by the local authorities.

Our Technology Operation Centre can be reached on [230] 202 0200 or by mail B_contacted@birger.technology. We continue to monitor the situation closely so we can prepare and adjust for all eventualities. Should you have any questions, please do not hesitate to contact us.
